

# 94533-94535 REFLECTASAFE

## REFLECTASAFE HIGH VISIBILITY VEHICLE PANELS

Make sure your vehicle gets noticed — day or night. ReflectaSAFE panels shine brighter and stand out more than standard reflective tape. Whether you're working roadside, on a construction site, or managing a fleet, ReflectaSAFE adds an extra layer of visibility and safety.

- Retro-reflective surface for daytime, and self-illuminated surface for improved nighttime visibility
- Flexible panels allow for application on contoured surfaces
- Self-adhesive
- No LEDs or light bulbs. ReflectaSAFE panels utilize EL technology
- Works with 12v or 24v power sources
- 3 sizes available (16" x 4", 16" x 12", and 36" x 12")

Model	Dimensions
94533	16" x 4"
94534	16" x 12"
94535	36" x 12"
